From the Commissioner

Tests are a part of life. Our kids will take tests to get a driver's license, to get into college, and even to get certain jobs. As a parent of four myself, I know that no one test can tell me everything about my children. But the STAAR tests have been designed to provide useful information about how much our children have learned academically and how well prepared they are for what comes next.

Students who meet or master grade level by high school graduation have **more than a 60% chance** of passing their college classes, substantially increasing their lifetime earnings and prospects for success. This report is intended to give you information on how well your child learned this year's academic material in school and how you can help them learn even more.

Mike Morath, Commissioner of Education

What the Results Mean

This report shows how well your child did on the assessment. There are four levels of performance.

MASTERS GRADE LEVEL

Mastery of the course knowledge and skills is shown — student is on track for college and career readiness.

MEETS GRADE LEVEL

Strong knowledge of course content — student is prepared to progress to the next grade.

APPROACHES GRADE LEVEL

Some knowledge of course content but may be missing critical elements — student needs additional support in the coming year.

DID NOT MEET GRADE LEVEL

No basic understanding of course expectations is shown — student may need significant support in the coming year.

Maximize Time During Parent Teacher Conferences

Sample Questions to Ask the Teacher:

- What does my child seem to be the most interested in at school?
- Does my child have good friends in class and at school?
- What is the most important thing that I can be doing to prepare my child for college or a career?
- Is my child giving his/her best effort?
- What could my child be doing that he or she is not already doing?
- How is my child's work completion in your class?

English I Test Date: Spring 2019

DID NOT MEET GRADE LEVEL

Your child scored the same or better than 0% of all students who took this test.

RESOURCES TAILORED FOR JONATHAN

Plan for College

Strategies for College Success

Learn about Colleges and Degree Programs

- Attend a college and career fair to learn about colleges, degree programs, and admissions requirements.
- Attend a “virtual tour” of colleges that interest you, or visit a local college with your parents.

Prepare for College in High School

- Explore advanced coursework, such as Advanced Placement and International Baccalaureate classes and dual credit options offered by a local community college.
- Prepare for college readiness assessments, such as the SAT, ACT, or the Texas Success Initiative assessment (TSIA).

Build a College Resume

- Get involved in extracurricular activities and community service opportunities (colleges look for students who are active leaders in their schools).
- Participate in a summer enrichment program (check out local universities and your local school district for opportunities).

Prepare for a Career

Career Planning Activities

Explore Career Options

- Research careers and occupations based on your interests and lifestyle expectations, or ask about local internship opportunities.
- Enroll in Career and Technical Education (CTE) course offerings connected to your career interests.

Plan a Course of Study

- Review your endorsement decision to ensure that it aligns with your career interests.
- Enroll in a focused sequence of CTE courses that can lead to industry-based certifications and work-based learning opportunities.

Explore Career-based Opportunities

- Join a Career and Technical Student Organization where you can apply your career preparation skills through real-world activities.
- Consider participating in summer career skill-building programs hosted by businesses or other organizations.

College and Career Planning

Suggested Questions to Ask Your High School Counselor

1. I need to learn more about college and career options. When is the college and career fair?
2. What Career and Technical Education (CTE) opportunities are offered at my school that lead to an industry-based certification or work-based learning opportunity?
3. What other college credit and career preparatory classes can I take in 10th, 11th, and 12th grade? How should I prepare for dual credit or Advanced Placement courses?
4. How do I sign up to take a college readiness assessment, such as the SAT, ACT, or the TSIA? How should I prepare for it? Is there financial support available?
5. Where can I find information about local summer enrichment programs and career-building skill programs?
6. How do I apply for scholarships? What is FAFSA? How do I apply for FAFSA?
